Abstract

Nuphar mirror is a tribute to the feminine mystique, inspired by the enchanting world of water lilies. A testament to the delicate elegance and ethereal allure of these aquatic plants.

Nuphar mirror is designed to reflect light with a gentle, mysterious, watery shimmer. It celebrates the inherent material qualities of glass through softness, femininity, and luminous reflectivity.

Designed by the artist and made by Vetrulia artisans exclusively for Todd Merrill. For any enquire contact info@toddmerrill.com
