Materials

Extra-clear acid-etched glass panel. Hand-decoration in mixed technique (metal-leaf, engraving and enamel)

Price

€ 5200 (VAT not included)

Abstract

The notion of 'Organic Abstraction' pertains to a contemporary artistic style that features creations embodying biomorphic forms inspired by the natural world. It also reflects my profound aspiration to preserve the organic and cohesive essence inherent in my works. The abstract arrangement is made up of textured and dynamically flexible shapes that engage in a harmonious interplay, promoting a parallel attitude toward other species and earth.
